1. Please plan on staying for part of the first and last day of the program. We will be providing a parent orientation at the beginning of the first day and a graduation celebration at the end of the final day.
2. Make sure your child wears comfortable shoes and clothing. *Please, no sandals or flip-flops.* Also, please do not let girls wear sundresses.
3. If your child has a bike helmet, please bring it each day, **starting on the first day**, with their name clearly marked inside with permanent marker. If they do not have a helmet, we will provide one. Helmets will be sized to safely fit your child. Please do not resize the helmet.

Again, we hope that this is a rewarding and fun experience. If you have any questions, please do not hesitate to contact us.
